Received 2018 March 03; **Accepted** 2018 March 03.

This retracts the article [RETRACTED ARTICLE: Cromakalim, a Potassium Channel Opener, Ameliorates Organophosphate- and Carbamate-Induced Seizures in Mice](#).

Following the author's declaration received to the journal on Archives of Neuroscience (Ticket #301440) and in line with [COPE flowchart](#) about duplicate publications, the editor-in-chief of the journal decided to retract the mentioned article from the publishing process. Based on a written document, the corresponding author (Ahmad-Reza Dehpour) declared that the duplicate submission was done by one of the authors (Sattar Ostadhadi).

Kind Regards
Editor-in-Chief
Prof. Zahid Hussain Khan
