Received 2024 June 24; **Accepted** 2024 July 7.

This corrects the article [Protective Effects of Vitamin E on Heart and Testis Histology Following MDMA \(Ecstasy\) Exposure in Mice](#).

In the original article "Addictive Behaviors and Related Factors in Adolescents in Northwest Iran," published in the Iranian Journal of Health, Safety and Environment, an error was noted in the ethical approval code provided in the manuscript (1).

The correct ethical approval code for this study is IR.UMSU.REC.1395.246.

We apologize for any confusion or inconvenience this error may have caused.
