About this report

This open peer review (OPR) report shows the public comments made on this article during peer review, by the reviewers, the associate editor and the editor-in-chief, for every revision round, together with the authors' replies. Comments appear only with the consent of the people who wrote them. Reviewers who chose to sign their report are named; the others are shown as "Referee". Comments are edited for language only, and confidential remarks to the editors are not included.

AUTHORS' RESPONSE TO REVIEWERS

Authors' reply to reviewers

The next pages contain the authors' point-by-point reply to the comments of this revision round, as submitted with the revised manuscript. It is published as the authors wrote it.

In the name of God

Hello

Thank you for your valuable comments

All comments have been applied and marked in the table and marked in yellow in the text.

	comment	response
1	You can refer to the WHO.	Done
2	It seems that the reference number needs to be revised.	Done
3	Please select the same writing style throughout the text. COVID-19 or Covid-19	Done
4	You mean “Khalid et al.”?	Done
5	You mean “Brooks et al.”?	Done
6	I think the past tense should be used	Done
7	the H1N1 pandemic	Done
8	In what time frame was this study conducted?	Done
9	Considering the presence of 38 master's degrees in the samples, do you mean at least a bachelor's degree?	Done
10	Please review this score.	Done
11	One of these is overplus.	Done
12	It seems that this sentence does not have a verb.	Done
13	This sentence should be rewritten, it is nonsense.	Done
14	This is the same sentence above!	Done
