About this report

This open peer review (OPR) report shows the public comments made on this article during peer review, by the reviewers, the associate editor and the editor-in-chief, for every revision round, together with the authors' replies. Comments appear only with the consent of the people who wrote them. Reviewers who chose to sign their report are named; the others are shown as "Referee". Comments are edited for language only, and confidential remarks to the editors are not included.

Dear Authors,
As you have added the ethical code in the resubmitted article, I am glad to inform you that it is now accepted for publication in JJNPP. We will send it to the publisher for further processing.

Yours,
JJNPP EIC
