About this report

This open peer review (OPR) report shows the public comments made on this article during peer review, by the reviewers, the associate editor and the editor-in-chief, for every revision round, together with the authors' replies. Comments appear only with the consent of the people who wrote them. Reviewers who chose to sign their report are named; the others are shown as "Referee". Comments are edited for language only, and confidential remarks to the editors are not included.

MINOR REVISION 1 Aug 2022

Dear Associate editor

Thank you for giving me the opportunity to review this article. The article needs some corrections. For this reason, my decision is minor revision.

The points that should be corrected are indicated by tracked changes and comments in the attached file.

With best regards
