About this report

This open peer review (OPR) report shows the public comments made on this article during peer review, by the reviewers, the associate editor and the editor-in-chief, for every revision round, together with the authors' replies. Comments appear only with the consent of the people who wrote them. Reviewers who chose to sign their report are named; the others are shown as "Referee". Comments are edited for language only, and confidential remarks to the editors are not included.

Revision 1

AUTHORS' RESPONSE TO REVIEWERS

Authors' reply to reviewers

The next pages contain the authors' point-by-point reply to the comments of this revision round, as submitted with the revised manuscript. It is published as the authors wrote it.

Response to Dear Reviewers

Dear Editor,

Thank you for your letter and the reviewers' comments concerning our manuscript entitled "**An Examination of Health Care Outsourcing Policy Implementation in Bushehr University of Medical Sciences.**". All comments were very valuable and helped us to revise and improve our manuscript. They also provided very important guidance for our research. We have carefully studied reviewers' comments and made corrections that we hope will meet their expectations. The revised portions of the text are marked in yellow throughout the paper. The responses/explanation to reviewers' comments are listed below point by point:

Reviewer 1:

1. The article needs to be reviewed in English.

Response: *Thank you very much for the exact point mentioned, therefore, the article reviewed in English.*

2. The images in the article are without captions and need subtitles with brief explanations for further understanding.

Response: *With many thanks for the exact point mentioned, it was added and highlighted in the manuscript.*

3. The sources used in this article are old and it is preferable to use new articles.

Response: *Thank you very much for the exact point mentioned, so we updated the references.*

Good luck!
