MINOR REVISION 23 Jul 2023

- The current study has many grammatical errors, which are highlighted in the text.
- In the Materials and Method, the location of the study is not mentioned.
- The authors should create at least one table about the MED, DASH, and HEI-2015 dietary patterns and provide more explanation about these three dietary patterns in the discussion.
- In funding: The proposal code and date of approval should be mentioned.
